## Unrequited Love

by Stuart Carruthers

And when I looked in your eyes  
I saw dark empty spaces.  
Heading for the exit  
I was crazy to follow.

Stumbling towards your destiny  
Unaware of who was by your side.  
Without a care in the world,  
As cold as our love.

Whatever God said  
Will he reward you on the other side?  
Ideology's sold on the cheap  
Just don't preach to me.

What hope do I have?  
Your desire so strong  
I feel it coming  
Unrequired love.
