It was Love at first sight

by Bryony Parsons

It was love at first sight,  
We call our dog Jeff,  
He isn't very bright,  
But he's still our family pet.

He isn't very brave,  
and runs when the hoover is out,  
He likes to misbehave,  
When we go and walk about,

His eyes are chocolate brown,  
His fur is a sandy blonde colour,  
He acts like a silly clown,  
And he gets away with it, as he's a stunner,

He never argues with us,  
Or tells anyone off,  
You're his friend for life if you give him a fuss,  
He truly is a one-off.
