## Running Away

by Stuart Carruthers

Things are never as bad as they seem.  
When you're not thinking straight.  
Emotions can cloud your mind.  
Listen carefully

Spend time  
Embraced by a warm sun  
Strolling between the trees  
Day dreaming

You said don't cry  
This I won't deny  
Our unfinished words  
For another day,, maybe

Things are never as bad as they seem  
You said.  
You could be right.
