Threes Brewing, Brooklyn

by Olivia Sprinkel

I note the names of beers
chalked on the board.

Wandering Bine
That climbing vine, looking for support.

Good Trouble
Got to engage that PMA.

The World is Flat
If you're looking at the wrong map.

Voluntary Exile 2017
The 'from myself' edition.

Moving on to:
Voluntary Exile 2019.
From this city in addition.

DDH You People
Talking about hops not hips, get down with it.

Dare to Know
Perhaps I'll just ask Google.

False Witness.
Maybe that will be the result.

Touchy Subject
Who? Me?

Famous Last Words
Better get some down first before it's too late.

Logical Conclusion.
Hard to arrive at.

I order a cocktail instead.
The Same Old Story.
