Mum I am so disappointed 🥰. Mikey is so ill. I haven't been to see him cos he is so contagious. We can't book the flight now.

BTW Do you think he could keep the money? He has not been able to work – obv.

Mum - I have BIG news. Mikey has asked me to move in with him and wants us to start a business. 🍷 He suggests a small vegan restaurant somewhere where the rent is cheaper. (party). Although he is younger - well 22 is not that young - he has some great ideas! Mum I am so in love, and so is Mikey 🍷. We can't really afford to get married. He is really very sensible.

BTW mum. Do you think we could have the money that you have been saving for my wedding?

Mum. Please call me. Mikey says he doesn't believe in monogamy. I need to come home. I am so depressed.
