## Meditation

by Olivia Sprinkel

Why  
Why trees  
Why me  
Why here

Why is silence  
Why is wind  
Why is white  
Why is courage

Why is silence so worthy  
Why is silence so beyond  
Why is silence so full  
Why is silence so questioning

Why is silence so worthy of suspicion  
Why is silence so beyond what could be expected  
Why is silence so full of expectation  
Why is silence so questioning and answering

Why is your suspicion so silent  
Why is the beyond so quiet  
Why is the silence so loud  
Why is the answer not out there

Why silence

Still
