

FAMILY ROMANCE

...honestly [redacted] understand [redacted] the truth. [redacted] about a mother [redacted] who [redacted] full of [redacted] kindness [redacted]

[redacted] met [redacted] kissed [redacted] even [redacted] video-recorded [redacted] Disneyland [redacted] father [redacted] acting [redacted]

Sometimes he dreams about Dana, in which he tells her that he's her real [redacted] truth [redacted] still my dad [redacted]

[redacted] Do you believe that there's a sense in which you *are* her father? [redacted]

Ishii closed his eyes, looking [redacted] even if it's a real family—the way we interact with each other makes that a form of a family. [redacted]

○ [redacted] feeling jet-lagged and confused by all the stories I had [redacted] decided to splurge for an in-room massage. Unlike the sessions with [redacted] and the rental mother's massage would count as a work expense [redacted] I had missed a hair appointment back in New York, which cost [redacted] so [redacted]

Two hours later, smiling [redacted] asked inside [redacted] demand [redacted] and [redacted] keep [redacted] lying [redacted] her soft [redacted] sure touch [redacted]
